THIEMAN'S BIG POLLED SHORTHORN SALE

at the farm

SATURDAY, NOVEMBER 23, 1957 — CONCORDIA, MISSOURI

There will be 80 lots ... 14 TOP NOTCH HERD BULL PROSPECTS. Four of these are outstanding sons of Priam Royal Leader, the bull we exported to Australia. One is by the \$20,000 International grand champion, TPS Max Coronet 5th, now owned by Avenel Farms, Bethesda, Maryland. Four are sons of Coronet Max Juggler 18th, sire of the \$8,000 International grand champion female that we sold to the Bapton herd in Scotland. One is by TPS Max Commander 8th, the bull we sold to King Brothers in South Africa. One is by the International first prize winner, Hillcrest Max Juggler. One is a full brother to TPS Coronet Commander, the bull we sold to the Bapton herd in Scotland, and the fourteenth bull is a son of the above Bapton bull.

66 OUTSTANDING POLLED SHORTHORN FEMALES. 41 of these will be cows with calves at foot or close to calving. There will be 25 bred and open heifers, many of them right out of the 1957 Thieman show herd that won the premier exhibitor award at the Illinois State Fair, and won 14 out of 15 classes at the 1957 Arkansas Livestock Show. Included also will be the 1957 Missouri State Fair grand champion female.

Here is your opportunity to see and buy from the best selection of truly outstanding herd bulls and choice females from this history-making herd, located just 40 miles east of Kansas City, Missouri. Everything sells T.B. and Bangs tested, and fully guaranteed. Wherever beef is being grown today, you will find Thieman breeding in South America, Australia, South Africa, the British Isles, Canada, and every section of the United States.

"In good times we have done well, and in bad times we have always had security, shelter and food, and above all else the dignity and self-respect without which life becomes, for the reasonable man, unendurable."

— From Pleasant Valley by Louis Bromfield

SATURDAY, NOVEMBER 23, 1957 - CONCORDIA, MO.

Jeanette and Jimmy Thieman with Jimmy's yearling heifer, Lavender Coronita 18th, that was reserve grand champion female at the Missouri State Fair.

WELCOME - BE OUR GUEST

We cordially invite you to be our guest on November 23, 1957. For nearly 60 years we have been breeding polled Shorthorns in our family.

Due to the fact that the Hiway Department is planning to build two more roads north of present Hiway No. 40, and that we anticipate having to move most of our main lots and buildings, we have decided to hold this sale. We are doing this even though we realize that this is the time to be buying and not to be selling cattle. For this reason we are offering a large group of cows that ordinarily could not be purchased at any price. They will have calves at foot, or be bred to the best set of herd bulls we have ever owned.

We hope that you will arrive in ample time to permit an inspection of our battery of breeding bulls, the breeding herd, and the calves that are produced, as well as the cattle in the offering.

THE THIEMANS

SALE Information

GUARANTEE – All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale, without trouble to purchasers, but at their risk of loss or injury.

TERMS – The terms of the sale are cash.

HEALTH – Health charts will be provided with each animal that sells in this sale. All animals have passed clean tests for both tuberculosis and Bang's disease. Official calfhood vaccination for Bang's has always been practiced.

BIDS – If unable to attend, mail your bids to Mervin F. Aegerter, Shorthorn World, Manager of the sale, Seward, Nebraska; Allan C. Atlason, Secretary, American Shorthorn Breeders' Ass'n., 7 Dexter Park Ave., Chicago, Ill.; Claud Willett, The Drovers Telegram, Kansas City, Missouri; Ted Aegerter, American Shorthorn Breeders' Ass'n, Chicago, Illinois; Mark Dempsey, Missouri Ruralist; or to Bill Lacy, Western Livestock & Western Livestock Journal.

AUCTIONEER – C. D. (Pete) Swaffar.

TRANSPORTATION – The sale will be held at the farm on U.S. Highway 40, five miles west of Concordia, and just 50 miles east of Kansas City. Those needing transportation from Kansas City should get in touch with Mervin Aegerter, Sale Mgr., Hotel Phillips, Kansas City, Mo., before 8:00 A.M., sale morning. Bids mailed in advance can also be sent to the Hotel Phillips, marked c/o Mervin Aegerter, Hold for Arrival. Greyhound bus lines right through to the farm on St. Louis–Kansas City run. **ALL WIRES AND TELEPHONE CALLS SHOULD BE SENT IN CARE OF LEWIS W. THIEMAN, HIGGINSVILLE, MO.**

LUNCH – Will be served on the farm.

Although the owners and sale manager will do everything in their power to insure the safety of sale day guests, they assume no liability for accidents of any nature.

Three horned bull calves, suitable for Club work, will be sold as separate lots.

THIEMAN'S BIG, FALL POLLED SHORTHORN SALE

FROM THE SALE MANAGER —

Many men have dedicated their lives, their talents, their efforts, their knowledge, every means available to them to put the Polled Shorthorn breed in a place of prominence. The standards of the past century, the past generation, the past decade do not hold for long. The ideal Polled Shorthorn continues to change, ever better. For nearly 60 years, L. W. Thieman, and in more recent years with the assistance of his son, Harold, has constantly stamped his indelible mark of progress upon the breed.

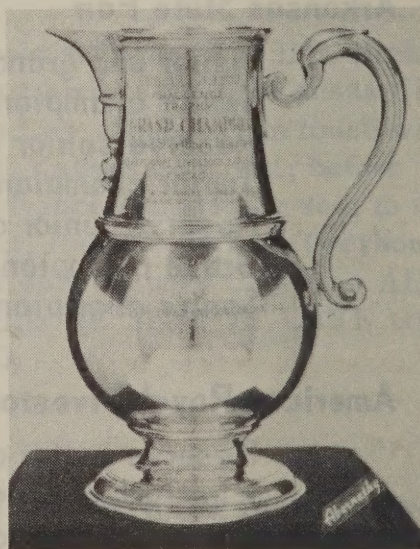

The sale offering this year mirrors the uniformity and high quality of Thieman Polled Shorthorns. From every standpoint this is a great sale offering, good heads, good type and conformation, good background, and the kind of cattle that give the Thiemans the proof of leadership.

It is a pleasure to recommend this offering to the most exacting buyer, and I hope that you will reserve **Saturday, November 23**, to be at the Thieman farm.

Mervin F. Aegerter, Sale Manager

The Charles J. Lynn challenge trophy, awarded to the exhibitor of the grand champion Polled Shorthorn female at the Chicago International has become the property of the Thiemans for exhibiting the grand champion female three times, in 1949, 1950 and 1952.

The Thiemans also had the grand champion female in 1953 and 1955. They also have two champion winners on the bull challenge trophy.

Standard Guarantee
Recommended By
American Shorthorn Breeders'
Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

Did you know ?

....That noted cattle of Thieman breeding have been sold to go to Canada, Australia, New Zealand, Argentina, The British Isles, and South Africa!

....That Polled Shorthorn cattle have been bred in the Thieman Family for over half a century!

....That since 1931 at International Live Stock Shows, Thieman's have bred and shown almost half of the International Grand Champions in Polled Shorthorns!

....That 50 per cent of the females in the present Thieman herd are either half-sisters to an International Champion or they are sired by an International Champion!

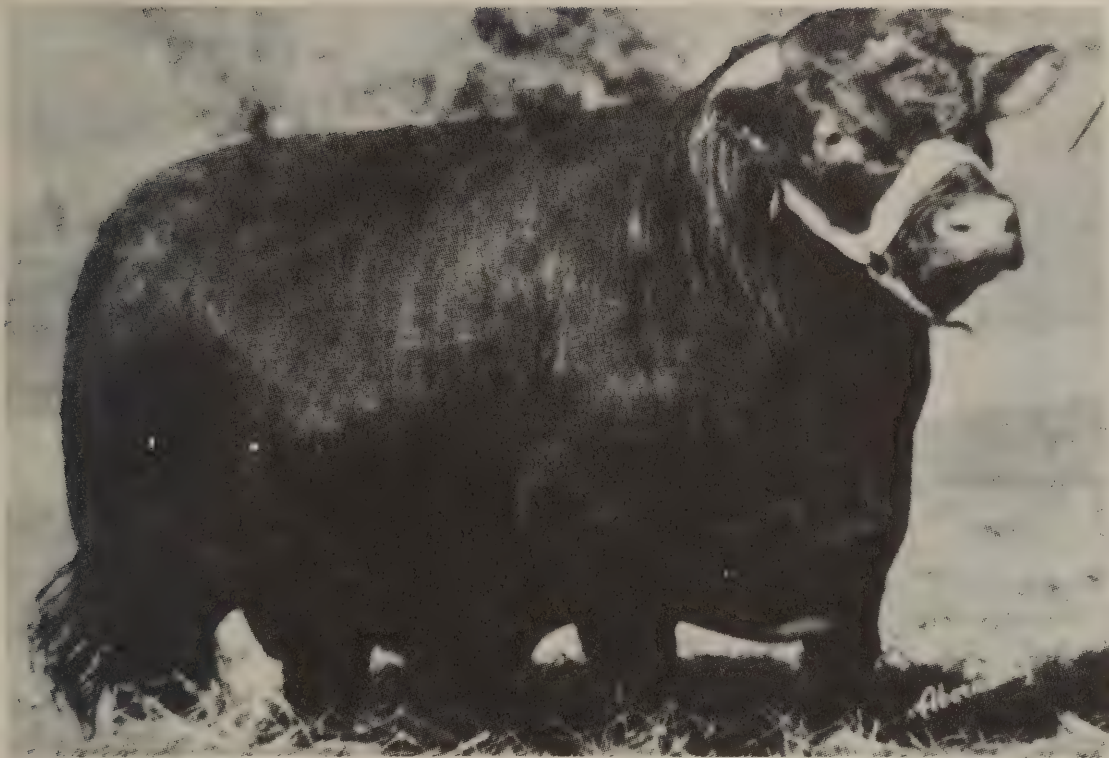

....That of the remaining 50 per cent of the breeding herd, 70 per cent are granddaughters of an International Champion, or a grandsire of an International Champion!

....That the Thieman herd of Polled Shorthorns is one of the larger herds in the United States!

....That you are more than welcome to stop at the Thieman Farms to see this herd of cattle at your convenience!

No physical description of sale cattle has been given in the footnotes. Reference has been made only to factual information.

We wish to retain the right to show some of the sale cattle at Chicago. Those cattle that have been selected will be named on sale day.

KILLEARN MAX JUGGLER - Truly one of the greatest Shorthorn bulls that has ever been developed. He was bred and sold by Claude Gallinger, Tofield, Alberta, Canada, to the Thieman's as a calf less than 12 months of age. At 12 months of age he weighed 1075 pounds, and at 24 months of age he weighed 1750 pounds. He was used heavily while Thieman's owned him and they sold 19 heifers bred to him for an average price of \$1132. The best Thieman females were settled and safe in calf to him when on June 27, 1949, he was sold to Clausen Brothers at Spencer, Iowa. The Clausen's exhibited this bull at three of the greatest shows of the entire country, the American Royal National Shorthorn Show, the Eastern National Livestock Show, and the International Livestock Show. Killearn Max Juggler was undefeated for Grand Champion Bull at all three great shows. He won under what may have been a tremendous handicap because he was not handled or fitted as a show bull while in Thieman hands and when he won his highest honors he had actually settled over 130 females with calf. He also won the British trophy for best animal of the show, bull or female at the International. Today, retired from the showing, his calves are proving his worth as a breeding bull. He is passing on his grand individuality, his great doing ability and the actual meaning of that Shorthorn slogan, "weight for age." Every heifer calf that was born at Thieman's, sired by this bull has become a valued part of their breeding herd.

KING OF THE VANITIES - Thirteen of the fourteen cattle appearing on his pedigree were either International Champions or the sire or dam of an International Champion. A quotation from the special issue of the *Shorthorn World* is as follows: For the "most valuable Polled Shorthorn sire of 1948," this study points to King of The Vanities. He had the winning get-of-sire group at the Illinois State Fair, and the third prize get at both the Congress show and the International. He sired the grand champion bull at Illinois, and the International, and also the grand champion female at Illinois. Another indication of his prepotence and his popularity is the record his get compiled through the sale ring. Of the 24 entries that were sold for over \$1,000 at the International and Congress sales, eight were sons and daughters of King of The Vanities. King of The Vanities, from the data at hand, rates, in our judgment "the most valuable polled sire of 1948." King of The Vanities has sired three International Grand Champions. The Grand Champion Female of 1947, Clarissa Coronita 4th, the Grand Champion Bull of 1948, King of The Vanities 50th, the Grand Champion Female of 1949, Nonpareil Coronita 12th as well as countless winners in many important other shows. He is also the grandsire of both International grand champion bull and female of 1950, and great grandsire of the 1952 International grand champion female. His calves are now in South Africa, Argentina, Australia, Canada, and all over this country. He is in the background of many cattle in this sale.

CORONET MAX JUGGLER 18th -- Mr. "18" was born at Lynnwood Farms, Carmel, Ind. As a young bull he was purchased by Thieman's and is today the top senior sire in the Thieman battery of herd bulls. His breeding is now working wonders in Australia, Canada, Argentina, and Scotland. He has sired several International Champions and his Get-of-Sire has won in this and other great shows. Possibly even more important than show winnings of his progeny is that he is a sire of size, substance, bone, weight for age, as well as good colors, great heads, and plenty of quality. Even though almost eight years of age, he still weighs over a ton, is quite active, and most impressive. Be sure to see him on sale day, and see one of the greatest history-making bulls that has ever lived.

CORONET MAX LDR. 2d -- Even though his first baby calves are small, he has proven to be a great breeding bull to us. His sire sold at \$7,500 to Milly Milly Station, Young, New South Wales, Australia and he is doing a great breeding job for them. A brother to Coronet Max Leader 2d, was Grand Champion Bull at the 1957, National Polled Shorthorn Congress. He is from a young cow and a very valuable female. Her first two calves sell in this sale. This bull was shown at several state fairs this year and has always placed third or higher. One of his own half-brothers has been ahead of him each time.

CORONET MAX LEADER 3d -- A bull of great weight for age, ruggedness, scale, and a real breeding bull head. His dam has produced sale champions and top sellers. His half-brother from the same cow sells in this sale. The great white heifer in the Avenel herd is the same breeding as the dam of this bull. His first few baby calves are most impressive and there certainly is no guess-work about this bull.

CORONET MAX LEADER 4th -- The show bull of the Priam Royal Leader calves! Senior Champion at Missouri, Senior and Reserve Grand Champion at Arkansas in 1957. Out of a great daughter of Mr. "18" and the same cow family that produced Coronet Command and a lot of other great show and breeding cattle. His first calf is here and again we feel that the guess-work about his breeding ability is settled. Be sure to see this calf, sale-day. We'll show it next year.

CORONET MAX LEADER 6th -- This is the bull that teamed with his half-brother to win the Best Pair of Bulls at the 1957 National Congress. Erich Oetting purchased him and we worked it out so he could breed to other bulls as well as this bull. We have had this family in our herd for at least 10 generations and they have always been most dependable. We do not have any calves on the ground by this bull at the present time but will have some later.

LADY CORONITA 7th -- An own daughter of Killearn Max Juggler and we have not sold any of his daughters but we felt in fairness that we has to sell one. This pedigree is studded with International Championship breeding and it is a history making family of the breed. Three calves from this cow have sold for a total of \$3,485. She now has a red bull calf born May 7, 1957 by T P S Max Coronet and is rebred to calve May 31 to Coronet Max Leader. Some great herd could add a great family here. Bangs vaccinated and pretested clean.

HILLCREST LOTTIE 7th -- Another granddaughter of King of the Vanities with good breeding on both sides of the pedigree. This cow is due to calve March 27, 1958 to Coronet Max Leader 3d.

We have purchased the entire Erich Oetting herd of Concordia, Missouri, and the following lots are all being sold with our guarantee. Nearly every foundation female in this herd was purchased from us and Thieman bulls have been used. These cattle are being offered in strong working condition, as they come right off the Oetting pasture. A large percentage of these females are cows with calves at foot. This herd was always under a constant and rigid culling program, and is truly a great set of cattle. They provide the opportunity to buy well-bred outstanding Polled Shorthorns in breeding condition.

LITHO BY BOOMER'S, LINCOLN, NEBR.

Undoubtedly this was one of the happiest moments in Harold Thieman's life. He is shown here with the 1955 Chicago International grand champion female, Queen of Hearts 18th, as he hands the championship ribbon to Gordon Blackstock, manager of the Bapton herd in Scotland, who had purchased her for \$8,000.
